4-H Activities	
4-H Camp	Enjoy a 4 day 3 night fun filled adventure with other Adair County 4-Hers exploring the outdoors at Lake Cumberland 4-H Camp! 4-Hers participate in activities such as: swimming, archery, riflery, high ropes, canoeing, kayaking, low ropes, volleyball, basketball, recreation, nature, and many more. *Space is often limited as spots fill up quickly.
4-H Country Ham Project	4-Hers learn to salt cure country ham by curing two country hams and participating in the Kentucky State Fair 4-H Country Ham Day Speech Contest. Speech is mandatory for participation. *Program duration January - August
4-H Projects & Workshops	Throughout the program year 4-H hosts several different project workshops & series such as: cooking, quilting, sewing, photography, needlework, arts & crafts, and more
4-H Drone Project	Youth will learn about drones, how to operate, careers, and how drones can be used in real life situations.

4-H Clubs	
4-H Shooting Sports Club	4-Hers learn and practice the safe handling of fire arms. Disciplines offered: Archery, Riflery, Shotgun, Black Powder, Pistol *Area/District/State Competitions available
4-H Livestock Club	4-H Livestock Club Members learn about different aspects of the Livestock and Agriculture Industry. *4-Hers must complete 6 educational hours annually.
4-H Dog Club	Youth will learn about all aspects of dogs and learn how to train their dogs. There are many different activities and projects that youth will be able to participated in.
4-H Outdoor Adventure Club	This group will have many different areas to participate in. The group will be taking part in the 4-H Stream Team study to track water quality throughout our area. Other programs related to the environmental study will also be included. The group will participate in canoe/kayaking, hiking, and other outdoor activities.
4-H Bee Club	Adair County 4-H Bee Club. Youth will learn about bees, pollination, beekeeping, and honey. The club has its own hives for teaching purposes. There will be monthly educational meetings to learn about bee's and beekeeping. Youth will have hands-on activities and will help to take care of the hives.
4-H STEM Club	Club meetings will have activities that youth will work on at club meetings but also home. Each month we have different STEM lessons and activities. Youth will receive kits containing everything needed for the project. Cloverbud youth may participate in the Club.
4-H Poultry/Rabbit Club	Youth learn about the art of showing rabbits/poultry as well as other aspects of the rabbit/poultry industry. Potential for District & State level competition. *Each youth must complete 6 educational hours annually.
4-H Horse Club	Youth learn about the art of showing horses as well as other aspects of the equine industry. Potential for District & State level competition. *Each youth must complete 6 educational hours annually.
Cloverbuds	Cloverbuds Club is an opportunity to get started with activities leading up to 4H age. This club is for children age 8 and under to participate in robotics, STEM, arts and other lessons.
4-H Art Club	Club will be in the Spring. Learn new art techniques and make art projects using various mediums.
4-H Photography Club	Youth learn about cameras, photography and proper techniques to take great pictures. Youth will learn how to display and exhibit their photos.
